Dear Mr. Rochester:

RE: Akron Farm Facility
16998 160 Street
Akron, Iowa
EPA RCRA ID No: IAR000522359

This is to acknowledge that you have filed a RCRA Subtitle C Site Identification Form for the installation located at the address shown above to comply with Section 3010 of the Resource Conservation and Recovery Act (RCRA). Since the copy of the RCRA Subtitle C Site Identification form we received at EPA was an e-mailed copy, we will need to have the original mailed to the address below.

Your Environmental Protection Agency (EPA) RCRA Identification Number for the referenced installation appears above. This EPA RCRA ID Number must be included on all shipping manifests for transporting hazardous wastes; on all Biennial Reports that generators of hazardous waste, and owners and operators of hazardous waste treatment, storage and disposal facilities, must file with EPA; on all applications for Federal Hazardous Waste Permits; and on all other hazardous waste management reports and documents required under Subtitle C of RCRA.

To assist us in keeping our database current, please review the attached Hazardous Waste Site Info Verification Report (Report). If changes to the information are necessary, please print the Report and make any changes directly on the document. Please sign and date the corrected Report and return it to me, at the address indicated below, within thirty (30) days. If the information is correct, there is no need to return the report to me.

Please reply to this e-mail to verify you have received this notification. Remember to print a copy of the attached Report and the e-mail and keep them for your records. Your cooperation is appreciated.

Sincerely,
